

DAUPHIN WAY
UNITED METHODIST CHURCH

Volunteer Role: TRADITIONAL A/V TEAM MEMBER

Purpose:

How does this position “make disciples who make a difference”?

To operate lights and sound during traditional worship services, enhancing the worship experience by supporting those leading the service.

Key Responsibilities:

- Arrive early to test and prepare the lighting and sound boards.
- Operate the sound board attentively, adjusting microphones as needed.
- Manage lighting cues throughout the service.
- Communicate with the team and the Pastor of Music and Worship regarding scheduling and technical needs.

Requirements:

- Attentiveness and reliability during services.
- Willingness to learn the church’s A/V systems and contribute to worship.

Time Commitment:

Approximately 2 hours per week; additional hours for special services.
